

What Our Guests Are Saying...

Campbell Room, March 2025: "Just touching base with regards to Saturday. Wanted to say a huge thank you to the team for a great event. Staff on the day were helpful and attentive, and it all went as planned. Everyone was super happy with the quality of the WARM food for a children's party!"

Bluebird Private Dining Room, February 2025: "A huge thank you to you and the team for a very successful evening. The food was delicious, and everything ran very smoothly. The team was incredibly attentive, and everyone was very well looked after."

Mezzanine Private Dining Room, January 2025: "I just wanted to say a huge heartfelt thank you for hosting out guests last night. I have heard from Hannah that the venue, the food, service and drinks was all fantastic. We had two clients attending last night and they felt cared for and looked after by your team, so please extend our thanks to the FOH team and kitchen team for providing a lovely meal. I am sure we will be back in the future when we have further client meal bookings to organise. Thanks for answering all of my questions and providing reassurance throughout, it is one thing organising an event I'll not be attending but it felt like it was in very capable hands."

Campbell Room Event, January 2025: "I just wanted to say a big thank you—we were so happy with Daniel's party last Saturday. Everything was fantastic—the drinks, the canapés, and the overall setup. We especially loved the cocktails—even the kids were thrilled with the blue ones :) Thank you again, and we'll definitely be in touch for the next party."

Gallery Room Event, January 2025: "Just wanted to reach out and say thank you to you and the entire Bluebird team for helping us put this event on. We appreciate all your efforts in making this event a success! Once again thank you to the team on the day for handling this with us."

Christmas Dinner, December 2024: "On behalf of myself and the team, I would like to say a huge thank you for hosting our annual Christmas celebration yesterday evening. Bluebird was looking exceptionally festive, and everyone thoroughly enjoyed the drinks and canapes. The evening was a fabulous way to bring the King's Road community together and get everyone into the festive spirit. Wishing you all a very Merry Christmas and a Happy New Year."

Christmas Lunch, December 2024: "I just wanted to pass on our thanks to you both for all your help with our Christmas lunch last Friday. Please can you also pass on our sincere thanks to Paolo (apologies if I have misspelt her name!) and her colleague who looked after us so well on the day. They were absolutely amazing! Everyone thought the food was to a very high standard and we all enjoyed the day so much! Even the bar afterwards, it naturally flowed on from the lunch. I will definitely be recommending Bluebird Chelsea to others and I am sure we will be back in the future. Again, huge thanks to you all!"

Wedding, October 2024: "I wanted to express my grateful thanks to you and the team for making our wedding day the memorable, happy occasion it was. We know we couldn't have done this without the superb hospitality, organisation and attention to detail that you and the team at the Bluebird displayed. We have had so many compliments from our guests on how much they enjoyed the day,

deliciousness of the food, how beautiful the venue is, about the cocktails, canapés, champagne and wine being exquisite – it's hard to actually express in words. Paula on the day was so attentive, so helpful, so unflappable – she and the team cannot be faulted. A big thank you to them all. Our family (the musicians) also commented on how helpful people were in the morning when they brought over and set up the equipment to play later too. Honestly, there was not anything we would change and we are so thankful for all you did. Please pass on my thanks to the senior management, the cocktail waiters, the waiters, plus the Chef and entire kitchen brigade (I think I have won people over onto on veal!). I did pop into the kitchen to say thank you but everyone but the KP was gone (quite rightly, it was late by then) as I had wanted to thank the Chef in person. We literally had the day of our lives! We will be back (as normal customers!) again one day soon to relive the experience in part, so if you see a happy but weepy couple having a conversation in a corner of the restaurant sometime, please pop over and say hello! I know it's all in the planning, Migena, and your planning was second to none. Our best wishes and once more huge thanks to you all, we will never forget what you did for us.!"

Beaufort Room, September 2024: "I wanted to thank you and your amazing team for the exemplary way in which you conducted my Birthday dinner on 4 September 2024.
