A LOCAL NEIGHBOURHOOD RESTAURANT ON A GRAND SCALE

.....

Undeniably one of Chelsea's most iconic restaurants, Bluebird is a grade II listed building, the original garage made famous for being the home of the car that helped Sir Malcolm Campbell break the land speed record. It was transformed into a restaurant in 1997 and is most definitely as stylish as its oh so chic SW3 regulars. Bluebird comprises of a restaurant, bar, café, five private dining rooms and its very own courtyard.

Bluebird is celebrated for creating fantastic events and parties and has a long-established reputation for excellence, not only in the quality of service, cuisine and extensive cocktail lists but also for the care and attention to detail of our events team. With a 'little blue book' of the best suppliers and contacts, that brings your event to life and makes it truly spectacular.
